**Fondue Fun**

Fondue parties are meant to be fun while being relaxed. Also, it is a great excuse to get out and socialize. By adding fruit to your skewers and dipping them in chocolate, this will be a time to remember!

**Spring Planting**

It's the start of planting season! Well, start growing the seeds indoors for about 4-8 weeks. Once the spring frost has passed, we'll be able to transplant them into the outdoors and watch them flourish. Throughout this time, we will be learning about the gardening basics and their care tips.

**Wednesday, 4/30 Time: 3:00pm**

Pursuit of Overall Personal Wellness

HEALTH & WELLNESS

**The Walking Club | National walking Day**

Let's walk, talk and discover our surroundings as we kick off our spring walking club. This will continue on Tuesday's 11am. Indoors / Outdoors weather permitting.
